

Big Welsh Weekend

MOUNTAIN BIKING FESTIVAL MARGAM PARK • MAY 29/30

The **BIG Welsh Weekend** is our bumper enduro, rounding off a fantastic weekend of leisure rides, frantic XC racing and demo riding.

Now it's the turn of our enduro riders to get stuck into the hills for a chance to savour one of the best playgrounds that Wales has to offer. Just a stones throw away from the fabled Afan Argoed and Glynccorwg you now have the chance to discover some new and exciting trails while pushing yourself out of your comfort zone and maybe just a little beyond!

Expert course designer Paul Davis and his team have spent months sorting out a classic 25km loop that takes you to the top and back again.

Last year we had mammoth climbs, ample water crossings and wicked descents. Expect more of the same but different!

Remember it is a race, but for most it will be just a challenging day of riding! Everyone is a winner, with a finishers medal on return. Reward yourself with some piping hot tea to help you round off what will be a fabulous day in the saddle.

You choose the distance and the speed and we'll take care of the rest. Enjoy!

Friday May 28th

- 1200 - Site Opens for Camping
